## **DUDRICH CLOSE, N10** Planning applications up to Aug 2017

### **History**

New Chapter in Office Block War by Stephen McNicholas. Battling residents in North Finchley are up in arms at a fresh bid to build an office block behind their homes which they fear will wreck their privacy, despite claims by the developers that the plan will enhance the site. The residents have fought one successful campaign against plans to bulldoze 100 garages near their homes, at the rear of 269-253 Colney Hatch Lane and 53-55 Lyndhurst Avenue for an office and residential development, when they formed the Halliwick Garage Site Development Action Group last year. Householders feared the development would disturb wildlife at Coppetts wood Nature Reserve, would cause traffic problems and would overburden the sewage system in the area. The application was later withdrawn. But a new planning application for a three-storey business and residential development with 56 car parking spaces, has forced them back into action. Residents' spokesman Mr Peter Kiberd of Lyndhurst Avenue said the plan would take away privacy. "People's homes will be overlooked by the development" he said. The Action Group had been revitalised with a series of leaflet drops around local homes in a bid to muster opposition to the plan, he added. Woodhouse ward councillors Dennis Reed, Rudolf Vis and Mike Harris are backing the residents' campaign. However, Roger Dudding, spokesman for developers Dudrich Holdings, said the plan would improve the site. "If it was on my back-door step, I would prefer a new style office block to a lot of garages." And he said the proposed development would not exceed the height of the existing garages (*Advertiser Series 10 Apr 1990 Page 3*)

Nos 253 - 269 Colney Hatch Lane. 3 Apr 2002. Planning application for redevelopment involving the erection of 10 2 storey (plus basement) house, 1 single storey (plus attic and basement bungalow, two garages, car parking spaces and refuse bin stores (*Dudrich Holdings Ltd*) (*Barnet Council C10417F/02*)
